BLOOM

WHERE YOU ARE PLANTED

Editorial Note

A fresh academic year unfolds like the first light of dawn—filled with promise, energy, and purpose. As we step into June of 2025, Jayarani College welcomes every student, staff member, and well-wisher to a new chapter of learning, growth, and shared achievements.

This month marks not just the beginning of classes, but the renewal of our collective dream—to empower young minds with wisdom, values, and vision. The corridors of Jayarani College once again echo with laughter, curiosity, and the gentle hum of possibilities waiting to be explored.

Through this issue, we celebrate the spirit of new beginnings. It features reflections on orientation programs, staff initiatives, and student activities that set the tone for a vibrant academic journey ahead. We also look back with gratitude at the milestones of the past and forward with faith to the opportunities of the year to come.

May this June issue inspire each of us to bloom with purpose, rooted in knowledge and nourished by our college's enduring motto—"Lighted to Enlighten."

With warm wishes for a fruitful year ahead

Faculty Corner

Faculty Induction Programme

A Two-Day Faculty Induction Programme on the theme "Competence and Commitment for Quality Education" was conducted by the IQAC on 12th and 13th June 2025 at the IQAC Board Room. The programme was organized to orient and empower both exiting and newly joined faculty members with the vision, mission, and quality standards of the institution by the internal resource persons.

Faculty Induction Programme

The sessions focused on enhancing teaching competencies, institutional values, academic responsibilities, and commitment to excellence. Interactive discussions and reflections enriched the two-day programme, making it an insightful and motivating experience for all participants. working lunch and refreshments have been provided to all teaching and non-teaching faculties during these two days.

Observance of Anti-Child Labour Day

On the occasion of World Day Against Child Labour, observed on June 12, 2025, the faculty members of Jayarani College, Salem, came together to reaffirm their commitment to creating a society free from child exploitation. Guided by the vision of building a just and compassionate world, the faculty members solemnly took an oath to raise awareness against child labour, to support initiatives that promote children's education, and to stand united in safeguarding the rights of every child.

The event served as a reminder that each small act of awareness and advocacy contributes to the larger goal of eliminating child labour in all its forms. It reflected the college's enduring commitment to social responsibility and moral education, instilling in every member the belief that "Every child deserves a childhood."

Naan Mudhalvan Faculty Development Programme

Faculty members from the departments of Computer Science, English and Mathematics participated in the Naan Mudhalvan Faculty Development Programme (FDP) held at Periyar University, Salem from 16th June 2025 to 28th June 2025. The FDP was organized under the Naan Mudhalvan scheme initiated by the Government of Tamil Nadu to enhance faculty skills and promote industry-relevant teaching methods. The session included expert talks on emerging technologies, curriculum enhancement, and skill development strategies for higher education. The programme was highly beneficial in equipping faculty with the latest academic tools and pedagogical techniques to improve student learning outcomes.

The Department of Computer Science in collaboration with JCS TechHub of Jayarani Arts and Science College for Women, Salem organized an Orientation Programme on “MOOC Learning Platform – How to Enroll in SWAYAM-NPTEL?” on 18th June 2025 from 11:00 AM to 12:00 PM through Google Meet. The session was conducted by Dr. D. Arul Pon Daniel, SPOC, SWAYAM-NPTEL. The orientation aimed to guide students and faculty on the process of enrolling in SWAYAM-NPTEL online courses, highlighting the benefits of MOOC certifications for academic and career advancement. The speaker provided a step-by-step demonstration on accessing the platform, selecting appropriate courses, and completing registration. The session witnessed enthusiastic participation and encouraged the academic community to utilize online learning platforms for self-development and skill enhancement.

Webinar on Crack Degree Exam and Opportunities in Government Jobs

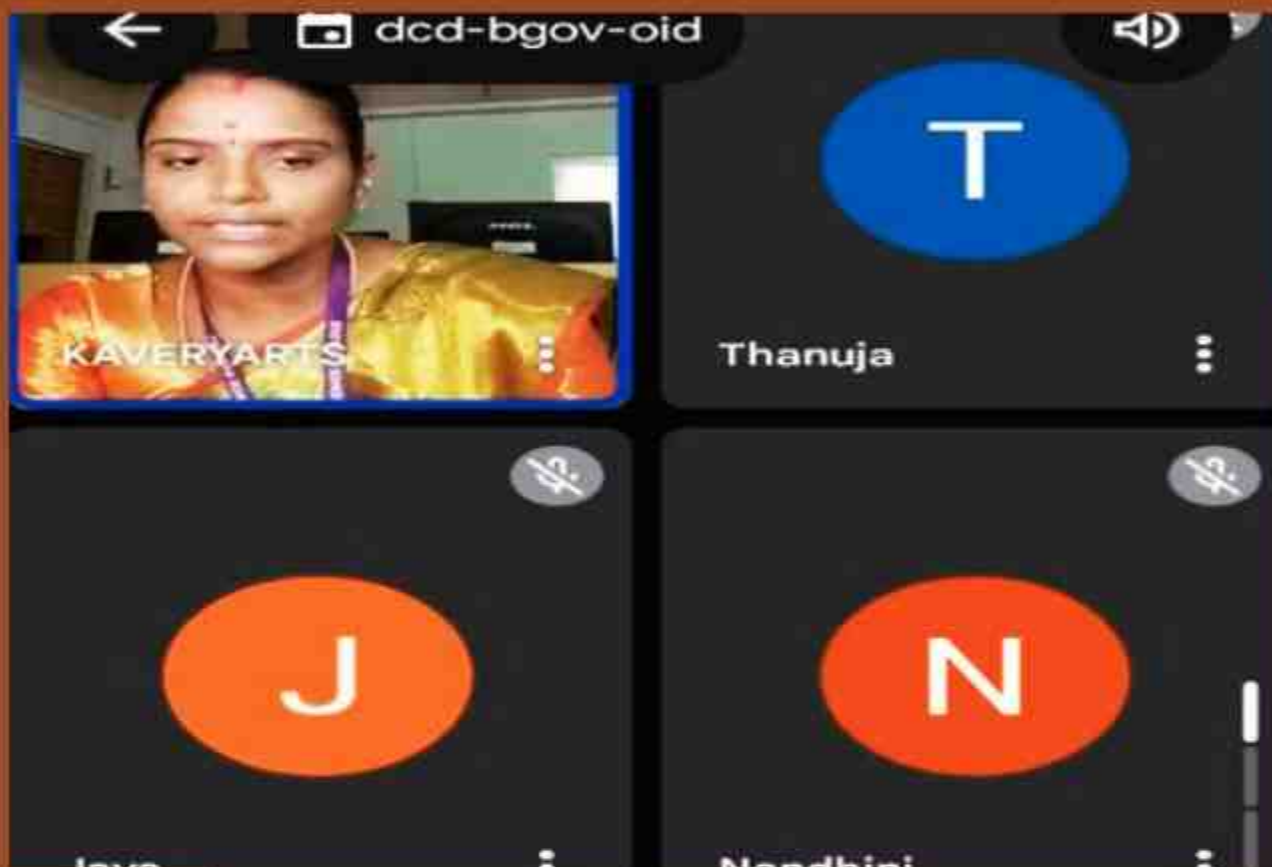

On 19th June 2025, the Department of Commerce organized a Webinar on "Crack Degree Exam and Opportunities in Government Jobs" for all commerce students. The session was held from 10:30 AM to 11:30 AM and featured Dr. M. Anthonisamy, M.Com., M.Phil., Ph.D., Assistant Professor & Head, Research Advisor, PG & Research Department of Commerce, AVS College of Arts and Science (Autonomous), Salem-106 as the resource person. The webinar focused on strategies to excel in degree examinations and explored various government career opportunities available for commerce graduates. Dr. Anthonisamy provided guidance on competitive exam preparation, career planning, and the importance of skill development to secure positions in government sectors. The session was highly informative and motivated students to set clear goals for their academic and professional growth.

Webinar on “Innovative Apps for Newbie Entrepreneurs”

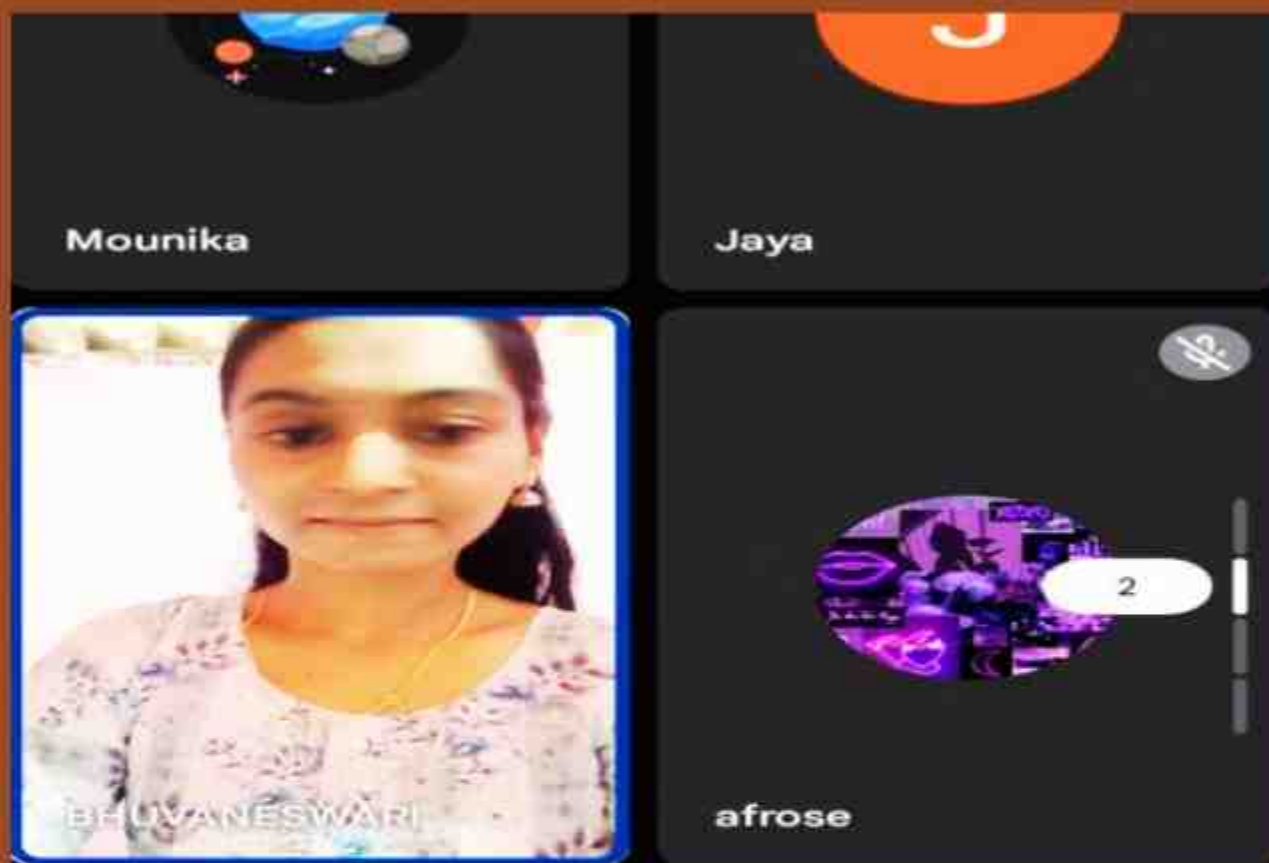

On 21st June 2025, the Department of Commerce organized a webinar on “Innovative Apps for Newbie Entrepreneurs” in online mode from 11:00 AM to 12:00 PM. The resource person was Mrs. Priya, Assistant Professor, Department of Commerce, Sona College of Arts and Science, Salem. She introduced participants to a variety of user-friendly digital tools and mobile applications that support business development and entrepreneurial ventures. The session highlighted apps for finance tracking, inventory management, customer engagement, and marketing. Students and faculty attended the session and interacted actively during the Q&A session. The webinar aimed to enhance students' digital awareness and entrepreneurial skills in line with current trends.

Webinar on AI – Virtual Assistant

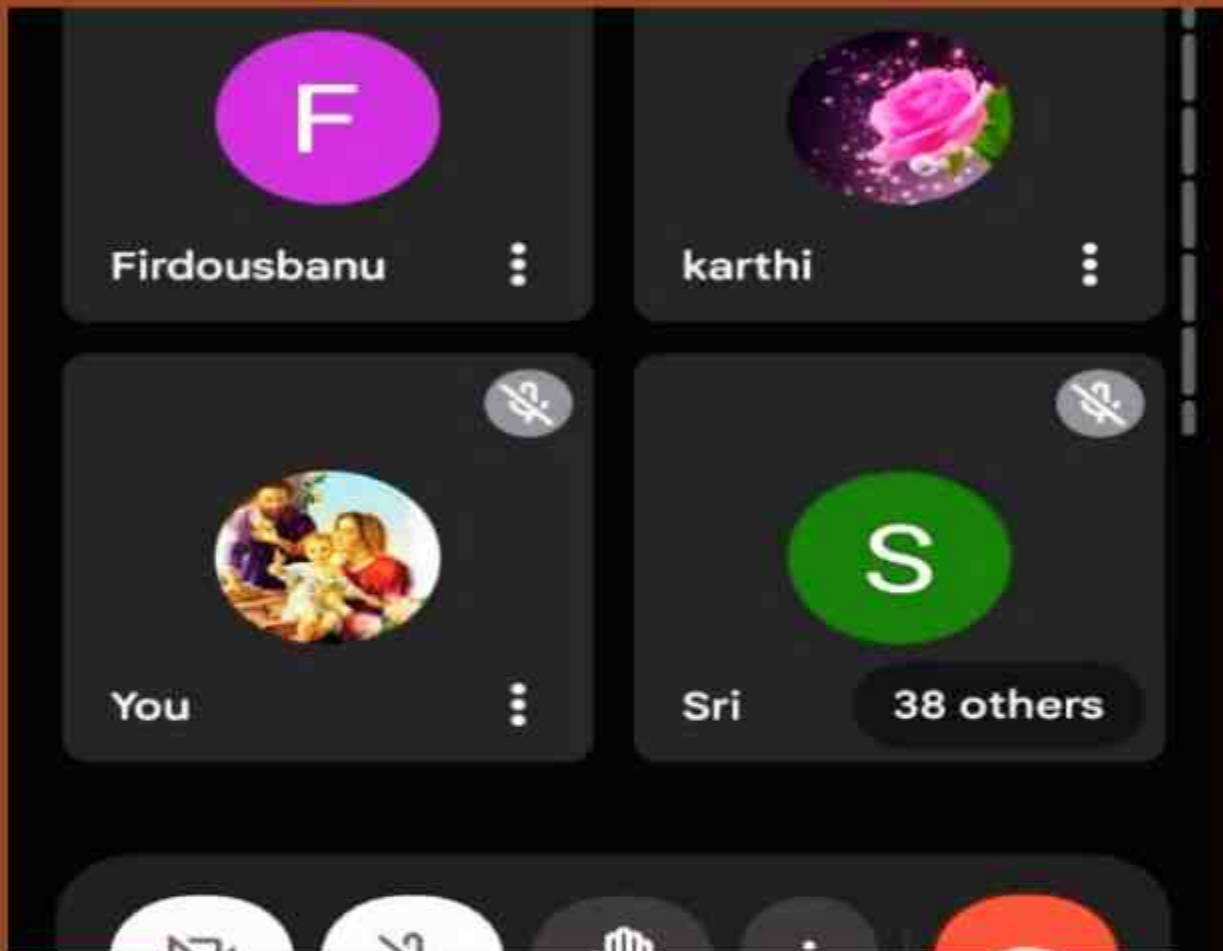

The Department of Computer Science organized a webinar on “AI – Virtual Assistant: Explore the Future of AI in Everyday Life” on 21st June 2025 from 12:00 PM to 1:00 PM. The resource person for the session was Ms. S. Bhuvaneshwari, M.Sc., M.Phil. (CS), from Kavery Arts and Science College, Mecheri. The session focused on how artificial intelligence is transforming daily life through virtual assistants like Siri, Alexa, and Google Assistant. The speaker explained the working mechanisms, real-time applications, and the growing significance of AI in personal and professional settings. The webinar was informative, engaging, and inspired students to explore careers in AI and emerging technologies.

Webinar on “Web Development”

On 23rd June 2025, The Department of Computer Science organized a webinar on “Web Development” from 10:00 AM to 11:00 AM. The session was facilitated by Ms. V. Sarasu, M.Sc., B.Ed., Assistant Professor, Department of AI&DS / BCA, Kavery Arts and Science College, Mecheri. The resource person provided an insightful overview of web development basics, including HTML, CSS, and the importance of front-end and back-end integration in website creation. The webinar aimed to equip students with foundational web design skills and introduce them to the opportunities in the web development field. Participants found the session highly informative and interactive.

Webinar on “Transforming HR through Technology”

The Department of Commerce organized a webinar on “Transforming HR through Technology” on 24th June 2025 from 11.00 AM to 12.00 PM. The session was enriched by the presence of Dr. G. Prabu, Assistant Professor, Faculty of Management, SRM Institute of Science and Technology, who served as the resource person. The webinar focused on the evolving role of technology in human resource management, emphasizing automation, data analytics, and digital transformation in recruitment and employee engagement. Students gained valuable insights into modern HR practices and the impact of innovation in managing human capital.

A student introduction session on "Job Empowerment and Employability in IT"

On 30th June 2025, JCS TechHub organized a student introduction session on the topic "Job Empowerment and Employability in IT" at Dupuis Auditorium. The resource person for the session was Mr. R. Navaneethan, B.E., MBA, Manager – Career Support Head, Livewire, Salem. The session was conducted under the Institution's Innovation Council (Ministry of HRD Initiative) in collaboration with MSME, Skill India, and NSDC. Mr. Navaneethan addressed the gathering and shared insights into industry expectations, employability skills, and the importance of bridging academic learning with real-time IT careers. Faculty members, TechHub coordinators, and students actively participated in the session.

SKILL DEVELOPMENT TRAINING

15 days Hands on training on “Poster Making”

The Department of Computer Science has initiated a 15-day hands-on training programme on “Poster Making” for the II-year students of Commerce, English, and Mathematics departments, beginning on June 25, 2025. The training aims to enhance students’ creative and technical skills by introducing them to the fundamentals of digital design and visual communication. Through this practical learning experience, students are being guided in the use of design tools, layout techniques, colour theory, and typography to create posters that are both informative and aesthetically appealing. Each session, conducted from 2:00 p.m. to 3:30 p.m., provides step-by-step demonstrations and individual practice opportunities under the expert guidance of the Computer Science faculty. The programme emphasizes learning by doing, encouraging students to transform their ideas into impactful visual messages. Page 21
